JUNE 27
Released
A VIRTUAL 2K/5K WALK
& PET FESTIVAL 

VIRTUAL SPONSOR BENEFITS PACKAGE

THANK YOU FOR JOINING US FOR THE 2020 DOGGY DASH WHEREVER YOU ARE, BECAUSE THIS YEAR WE ARE GOING VIRTUAL!

It is because of your support that the Sacramento SPCA is still able to care for the thousands of animals that come to us for help, especially during these unprecedented times. Our doors may be closed temporarily to the public, but our doors will forever remain open for animals in need.

WHAT IS A VIRTUAL WALK AND BARK IN THE PARK FESTIVAL?

Just because we won't be walking together, doesn't mean we aren't walking for the same reason - to give more than shelter to animals and the people who love them. On Saturday, June 27, join us virtually for a walk around your neighborhood, get your steps in at home or get creative and get active with your pets any way you'd like!

Tune-in live Saturday morning to hear from some very special guests, a word from our partners and then get moving with your furry friends! After your 2k/5k walk, join us throughout the day for our first ever Virtual Vendor Fair, popular Bark in the Park contests, prizes and more!

WHAT IS A VIRTUAL VENDOR FAIR, AND WHAT ARE THE ADDITIONAL BENEFITS FOR VENDORS?

A Virtual Vendor Fair is as exactly as it sounds. It is an interactive map of all the participating vendors and sponsors just as it would have looked on the day of the event! Attendees will be able to click and view each business's content and go directly to their webpage. As a vendor you are able to provide the content of your choice to be included on the map.
